# COURSE ON FINANCING SCHEME IN ISLAMIC BANKING & FINANCE FOR ASIA - MIDDLE-EAST DIALOGUE (AMED) MEMBER COUNTRIES JAKARTA, INDONESIA

## Introduction

Islamic banking and finance industry nowadays has experienced a rapid growth worldwide. There are more than 620 Islamic Financial Institutions operating in 75 countries which have increased almost 20% per annum in recent years. The global Islamic finance industry offers a broad and sophisticated range of financial products and services with approximately \$1.3 trillion in designated assets. This phenomenon has seen emerging new players not only in Muslim countries but also in non Muslim countries such as United Kingdom, Germany, Australia, Hongkong and Singapore.

This Course has been conceived as a continuation to the Course on Islamic Banking and Finance previously held in Jakarta in November 2009 as part of the Executive Plan of Action for the Cooperation among the Asia - Middle-East Dialogue Members 2008/2009 adopted in the 2<sup>nd</sup> Ministerial Meeting of the Asia - Middle-East Dialogue held in Sharm el Sheikh, Egypt on 5-6 April 2008

The current course will enable participants to learn more about financing scheme in Islamic banking and financial system, covering general and sharia specific aspects of financial management. This course provides a broad understanding of the subjects aimed to increase stakeholder's wealth.

## Objectives

After completion of this course, participants will acquire comprehensive overview regarding:

- The philosophy and concepts of Islamic Financing;
- The types of Islamic debt financing products including product implementation, financing analysis and risk management. Apart from that, this topic will refresh the understanding on Sharia contracts of Islamic debt financing;
- The Islamic equity financing products and structure including product implementation, financing analysis and risk management;
- Islamic syndication and project financing implementation;
- Islamic micro banking features product and implementation in the market and also the risk management

## Methodology

The Course will be highly interactive, incorporating presentations, lectures, field visit and discussions. Participants are expected to participate actively in order to gain maximum benefits from the Course.

## Participants

This course is aimed for anyone who wishes to learn more comprehensive about Islamic Financing implementation. This course is also useful for banking and finance regulators. The participants preferably having basic Islamic Banking course prior to attending this course.
